

## Summer Newsletter

2/7/26

Dear parent/carer,

With another busy year under our belts, I'm sure all students, teachers and parents will be glad of the arrival of summer holidays! We've crammed a lot into the 25-26 session, and our new online newsletter captures student events as well as our Facebook page. Below are some useful updates and information from me. Thank you all for your ongoing support, and I wish you all a brilliant summer!

### Qualifications Scotland Results

As our senior students await their results on 4<sup>th</sup> August, we encourage them to enjoy their well earned summer break. SLT will be available on the morning of 4<sup>th</sup> August, 9am to 12 noon, to discuss any queries over results.

Re-coursing will take place first week back at school, from 19<sup>th</sup> August. If any student wants a conversation before the return, Guidance Teachers will be available on the afternoon of Monday 17<sup>th</sup> August, 2pm-3.30pm. Students can drop in to discuss results and next steps, parents and carers are welcome too.

If students wish to receive results via text message or email, they should sign up via Qualifications Scotland website.

### Staffing Update

We have some changes to staffing in the new term when we look forward to welcoming the following:

**Mr Wei- Music**

**Mr Breckenridge- Maths & Physics**

**Mrs Fong- English**

Sadly, we have to say goodbye to Mrs McInnes Bell of Geography. She has been with Invergordon for 2 years now, and over that time has become a popular member of the team who has supported many learners to achieve. We wish her well in her next post.

Mrs Thompson, Maths, has resigned from her post in preparation for retirement. However, she has kindly agreed to support us with supply in the Maths department, and will cover 2 days per week. We thank Mrs Thompson for her dedication to Invergordon Academy, hope that she enjoys the new balance to life and gets the most out of her new found free time to follow her interests in gardening and travel (to name only a few)!

Finally, we congratulate Miss Edmond on successfully completing her probationary year with us in PE. She's been a great addition to the team and has been influential in promoting sport and fitness as well as out

working with the primary schools too. We wish her well in her next steps and what is sure to be a bright career!
